

# Winfield Elementary Behavior Expectations

## Cell Phones:

- Cell Phones are off (or silent) during the school day. During the school day, EarPods are out of ears and away.
- Students may not use their cell phones to call or text during the school day. If there is an emergency, the student should inform the teacher, and the school staff will contact the parents. This includes using the phone in the bathroom.
- Students will be given **two warnings** to put their phones or EarPods away. If a **third** request is needed, the phone (and/or EarPods) will be taken by an administrator, and a parent or guardian will have to pick up the phone (or EarPods) from the office.

## Walking out of class:

- Students may not leave the classroom without permission. For safety reasons, teachers must know where students are at all times.
- Students should not be in the hallway without a pass.
- Multiple instances of a student leaving the classroom without permission will result in consequences, including a required parent conference, in-school suspension, or out-of-school suspension.

## Bullying & Fighting:

- All students and staff should feel safe in the school building. Fighting, physical & verbal aggression, threatening, or putting your hands on someone will have consequences at Winfield Elementary.
- We can't help if we do not know about it. Please get in touch with your child's teacher if there are issues.
- Fighting is a serious infraction and will have consequences that may include required parent conferences, in-school suspension, or out-of-school suspension.
