

Conference Questions Worksheet For My Elementary Student

Put a check in the boxes of the questions you may want to ask during your next parent/teacher conference.

- What are my child's special interests and strengths?
- What are my child's strongest and weakest skills?
- How does my child interact with others in the class?
- Does the academic work seem challenging enough for my child?
- How do you vary instruction for children who have already mastered the grade-level curriculum?
- What kinds of opportunities and choices do children have to enrich and extend their learning?
- What can I do at home to help my child?
- How will my child's grades be determined?
- What skills will my child be expected to master this year?
- Is tutoring or extra help available?
- Is my child working up to his/her ability?
- What accommodations are necessary for my child, and how are they being provided throughout the school environment?
- What is your policy about absences and missed assignments?
- Are there any additional resources which may benefit my child?
- Is there anything that we should do to help our child prepare for the next year or level?
